	<p>This change application proposes to add 3 existing wells to, and correct the location of the well drilled under the original application to appropriate. The existing well does not provide enough water for the approved uses.</p> <p>The applicant has reduced the quantity of water to 400 af to match the Order of the State Engineer for 18-721 (A78179) approved on February 15, 2011. The applicant has reduced the irrigation slightly to accommodate one domestic use and ten equivalent livestock units. The place of use has been adjusted slightly to accommodate the home.</p> <p>This change application will supercede and replace prior change application number 18-721 (a40076) upon approval. This appliacation is nearly identical</p>
